

Enhanced Partner Portal

Features Toolkit

Connect with your coffee producer partners through exciting new features.

- Click [here](#) to go to the new landing page

Access the new producer profiles, green coffee marketplace, and new partner search functionality.

- Click [here](#) for a guide on how to use the new features.

Questions about how the new platform works? This step-by-step tutorial walks you through the new features and how to use them.

- Want to log in for transaction reporting and product registration? Click [here](#) to go to the login page.

As a reminder, quarterly transaction reports are due 30 days after the end of the calendar quarter (January 30, April 30, July 30, October 30).

If you have further questions, please reach out to your account manager or click "Help," found on the top right corner of the platform once you have logged in.
