

Standards Work Program 2019

Fair Trade USA

Standards' Work in 2018

Fair Trade USA's Standards Department completed the first draft of the major revision of the Trade Standard along with an extensive public consultation period that concluded at the end of 2018. Additionally, the minor revisions of the Capture Fisheries Standard and the Factory Standard were implemented across producer operations as of January 2018.

Work Plan for 2019
